Hi Justin,  
narrowing this down to less industries has been more difficult than I thought.  
Here are the industries we came up with, based on NAICS codes. PLease check out this website <https://www.naics.com/search/> and click on a given industry to drill down for more information in cases where you don't know which industry a certain activity falls under.  
I highlighted the industries where you'll see most of the covid data from. I don't think you'll see much ( if any) from the other sectors.

LEt me know if you have questions.

Thanks,

NAICS Code	Industries
11	Agriculture, Forestry, Fishing and Hunting
21	Mining and Oil and Gas
22	Utilities
31-33	Manufacturing
92	Government
23	Construction
51	Communications/Information
42	Wholesale Trade
44-45	Retail Trade
48-49	Transportation and warehousing
54-55-56	Professional, Services and management
52-53	Finance and Insurance and Real State
61	Education
62	Health Care and Social Assistance
